

Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

- The infrastructure pertaining to physical, academic and support facilities in the college are regularly maintained through committees to ensure maximum benefit particularly to the students as well as teaching and nonteaching staff of the College. There are different committees in the college. Proper budget is allocated every year for the maintenance of various facilities. The various committees meet regularly to monitor the optimum use of infrastructure which is accessible to the students and staff of the college. Most of the lectures take place in classrooms with microphone and speakers. This is to ensure usage of new audiovisual pedagogical techniques during the teaching process along with this we have open classrooms where lecture are given.
- The college has a Technical Assistants and Lab Assistants and Lab Attendants to ensure proper upkeep of the various labs/instrumentation facilities including the Solar SPV plant & computer center.
- The College has a well equipped library with ICT facilities. Students make extensive use of the facility for reading and collection of E resource, E-journals for research.
- The campus also offers facilities such as Cafeteria, Separate Common Room for boys and girls, Gymnasium, outdoor- indoor facilities, auditorium, health care room, adequate toilets & drinking water facilities etc. The college has health care unit with proper sick room facility with medicine of first aid. If required doctor are invited from PHC adjacent to the college.
- There is open air space with greenery campus where students can sit and plays are performed.
- Both the Library and administration section of the college have undergone computerization. The library is fully bar coded and is open even after class hours during pick time. It has computer terminals with internet facility and large reading spaces. A regular update on new additions is provided by the library. A library committee works regularly to oversee the functioning of the library and various other committees coordinate with each other to enable the students to get maximum exposure and participation and also to avail all the facilities provided by the college.
- The campus is situated in an ecofriendly environment with aqua ponds is one of prime importance in the college.
- The college has a well equip DBT funded “Biotech Hub facilities” for research and student’s project work. The Hub is well guided by team of research personals like RA/SRF/JRF.
- More over the college has well connectivity to district headquarter and nearby locality through roadways & rail.
